WHEREAS, owner of real property included within the boundaries of the territory hereinafter described have made overtures to the City Council of the City of Santa Fe Springs, California, with reference to the annexation to the City of Santa Fe Springs, of said territory, and

WHEREAS, under the provisions of Section 35002 of the California Government Code, the matters of the proposed annexation hereinabove referred to has been referred to the Boundary Commission of the County of Los Angeles for a report thereon with respect to the definiteness and certainty of the proposed boundaries, and that said Commission having reported the boundaries are definite and available for annexation; and

WHEREAS, under the circumstances said Council looks with favor upon and does hereby approve such proposed annexation and does not desire to require the filing of a further formal written petition for such annexation, but is willing to proceed in the matter on its own motion as authorized and permitted by law;

Now, Therefore, the City Council of the City of Santa Fe Springs, California, does resolve, declare, find, determine and order as follows:

SECTION 1: That said Council does hereby find, and determine that the said territory which is hereinafter described and designated as Shoemaker Annexation No. 6 is contiguous to the City of Santa Fe Springs, California; that said territory has less than twelve qualified electors residing therein, and that said territory is therefore deemed to be and is uninhabited territory within the meaning of the "Annexation of Uninhabited Territory Act of 1939", being Sections 35300 to 35326, both inclusive, of the Government Code of the State of California, hereinafter referred to.

SECTION 2: That the said territory so proposed to be annexed to said City of Santa Fe Springs is located in the County of Los Angeles, State of California, and is comprised of and includes all of that real property in the County of Los Angeles, State of California, within the following described exterior boundary lines, to wit:

That portion of the Rancho Santa Gertrudes, County of Los Angeles, State of California, described as follows:

Beginning at that certain angle point in the boundary of the City of Santa Fe Springs as same existed on May 21, 1957, being the northwesterly corner of lot 2 of Tract No. 3152 as shown on a map recorded in book 36, pages 53 to 57 inclusive of Maps in the office of the Recorder of the County of Los Angeles; thence southerly along the westerly line of said Tract No. 3152 to the northerly line of that certain parcel of land as described in deed to South Whittier School District of Los Angeles County recorded in book 43070, page 21 of Official Records in the office of said Recorder; thence westerly along said northerly line to a line that is parallel with and distant 500 feet westerly, measured at right angles, from the westerly line of Shoemaker Avenue, 40 feet wide, as described in deed to said County recorded in book 12454, page 99 of said Official Records, said parallel line being a portion of said boundary of the City of Santa Fe Springs; thence northerly and easterly along said boundary to the point of beginning.

- First: Said territory is contiguous to the City and is logically situated as to constitute a desirable component part of said City.
- Second: That the owners of real property included within said territory have indicated to this Council their desire to have said territory annexed to said City.
- Third: That if the said territory is so annexed to said City, said City will be able to render municipal services thereto to the advantage of both the said territory and to the City of Santa Fe Springs to which said territory is contiguous.

Fourth: That the portion of the City of Santa Fe Springs which is contiguous to the territory sought to be annexed, is of an industrial character and use; and the territory seeking to be annexed is at the present time of an industrial character and could be used for industry; and the services rendered by the City would be available to the annexed territory; which it would not be eligible to receive if it is not annexed to the City of Santa Fe Springs.

Fifth: That said territory logically should be a part of the City of Santa Fe Springs.

SECTION 5: That said Council does hereby set the matter of said proposed annexation of said territory to said City for public hearing before said Council, and does hereby fix and give notice of said hearing which will be held by said Council in the Modified Room of the Gymnasium of Santa Fe Springs High School, 10400 Orr and Day Road in said City, beginning at the hour of 7:30 P.M.
